1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer.

2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)

I recently settled a claim in excess of \$16,000.00 that Carolina Water paid for not having properly maintained its infrastructure, which caused a water/sewage backup into our house. Carolina Water representatives admitted they had no idea what maintenance, if any, they had previously done on the infrastructure near my house. They also had no idea about the location of infrastructure under the golf course. They did not have a map.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \* (This section should be completed.)

yes. I am willing to testify at the Lake Wylie hearing.
